EDUCATION

- R.A.U.B.S English High School
  SSC Grade : **89%**
- K. J Somaiya College of Science and Commerce
  HSC Grade: **84%**
- Vidyalankar Institute of Technology
  CGPA: **10.0 CGPI**

SKILLS

- HTML, CSS
- Javascript
- C, C++ Programming
- Java
- MySQL, Postgre SQL
- Python
- Github
- Figma, Canva
- Flask

LANGUAGES

- English (Fluent)
- Hindi (Native)
- Marathi (Conversational)

PROFILE

Second-year Computer Engineering student skilled in programming, software development, and database management. Passionate about UI/UX design and building efficient, user-friendly applications. Seeking a Software Developer role to apply technical skills and problem-solving abilities.

PROJECTS

Smart Society Management April 2025

- Developed a desktop-based complaint management system with features like user login, complaint registration, and admin dashboard.
- Improved communication and record management for residential societies using a MySQL database.
- Tech Stack: Java, Swing, MySQL

Expense Tracker February 2025

- Created a web-based expense tracker with daily expense logging, report generation, and analysis.
- Designed a responsive UI/UX in Figma to enhance user interaction and engagement.
- Tech Stack: Node.js, Python, MongoDB, Figma

Messenger Website December 2024

- Built a real-time chat application supporting account creation, authentication, and instant messaging.
- Integrated WebSocket for real-time communication and a secure backend with MySQL.
- Tech Stack: HTML, CSS, JavaScript, WebSocket, MySQL

WORK EXPERIENCE

Techsprout Internship June - July 2025

- Gained hands-on experience in web development and research-based applications.
- Collaborated with senior developers on mini-projects to improve workflow.
- Strengthened skills in debugging, problem-solving, and project structuring.
- Utilized agile methodologies and worked in team-based development environments.

ACHIEVEMENTS

- **Innovative Project Prize** – Developed a sensor-based smart blind stick to assist visually impaired individuals, enhancing safety and mobility.
- **3rd Prize, Poster Competition** – Recognized for creativity and impactful design on Women's Day.

Certification: IBM Agentic AI course, Matlab Machine Learning Course
